

This First Annual Tournament is to honor the life of

C.J. Fletcher.

He was a part of the Chief's team and played alongside his brother. It was always a dream of both Nic & C.J. to play on the same team together. They finally got the opportunity when playing for the Chiefs.

C.J. had planned on returning to the Chiefs this season, but on April 20, 2009, he was killed in a tragic car accident in Sheridan, Wyoming,

He loved the game of baseball and played it very well.

This is not only a tribute to his life, but a celebration of his love for the game.

The family of Christopher Joseph Fletcher is honored to have this tournament in memory of him.
